

Fire Safety

Play it safe, don't play with fire.

Follow these simple guidelines for **Fire Safety**.

1. Never put anything over a lamp, like clothes or a blanket, not even when playing.
2. Don't touch radiators or heaters. Ask an adult to turn a heater on or off for you.
3. Don't stand too close to the fireplace or a wood stove. You could get burned or your clothes could catch fire.
4. Never touch matches, lighters, or candles. If you see matches or lighters in a room, tell an adult right away.
5. Remind grown-ups to change smoke alarm batteries at least once a year.
6. Don't play with electrical cords.
7. Never stick anything into an electrical socket.
8. Turn off lights, stereos, TVs and other electrical equipment when you are finished using them.
